KEY CONTRACT INFORMATION

1. MANDATORY USE CONTRACT:

[\(Return to Table of Contents\)](#)

REF: Title 29, Chapter 6911(d) Delaware Code. Every state department and agency within the Executive Branch and Judicial Branch of the state government shall procure all material, equipment and nonprofessional services through the statewide contracts administered by Government Support Services, Office of Management and Budget. Delaware State University, Delaware Technical and Community College, the operations funded by Public School Districts, Delaware Transit Corporation, the Legislative Branch and the Board of Pension Trustees and their consultants are specifically exempted from the requirements of this subsection.

2. CONTRACT PERIOD:

[\(Return to Table of Contents\)](#)

Each contractor's contract shall be valid for a one (1) year period from December 1, 2010 through November 30, 2011. Each contract may be renewed for two (2) additional one (1) year periods through negotiation between the contractor and Government Support Services. Negotiation may be initiated no later than ninety (90) days prior to the termination of the current agreement.

Addendum #2 extends the contract under the same terms and conditions. The contract will remain valid through November 30, 2012.

5. DELIVERY AND PICKUP:

[\(Return to Table of Contents\)](#)

A vehicle may not be driven more than 200 miles from the awarded vendor's place of business to the ordering agency for inspection and receipt, or the vehicle shall not be accepted. A waiver can be requested through Government Support Services on special vehicles which require delivery to sub-contractors. If the awarded vendor uses a towing device to tow another vehicle to the inspection, the towing device may not be attached in a way that holes are drilled in the bumpers of the vehicles being towed. Drilling of holes in the vehicle bumpers is not permitted. Any bumper with damage caused by a towing device will be replaced by the awarded vendor at no charge to the State. If a vehicle is being towed by another vehicle, the vehicle being towed must have the drive shaft disconnected to eliminate unnecessary mileage.

*** Final order dates are subject to change based on manufacturer production limitations.**

Prices will remain firm for the term of the contract year.

6. BILLING:

The successful vendor is required to **"Bill as Shipped" to the respective ordering agency(s).** Ordering agencies shall provide at a minimum the contract number, ship to and bill to address, contract name and phone number.

7. PAYMENT:

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

8. PRODUCT SUBSTITUTION:

All items delivered during the life of the contract shall be of the same type and manufacture as specified unless specific approval is given by Government Support Services to do otherwise. Substitutions may require the submission of written specifications and product evaluation prior to any approvals being granted.

9. ORDERING PROCEDURE:

Successful contractors are required to have either a local telephone number within the (302) area code, a toll free (800) number, or agree to accept collect calls. Each agency is responsible for placing their orders and may be accomplished by written purchase order, telephone, fax or computer on-line systems. The contractor or vendor must accept full payment by procurement (credit) card and/or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

10. REQUIREMENTS:

This contract will be issued to cover the Sedans and Hybrid Vehicles requirements for all State Agencies and shall be accessible to any School District, Political Subdivision, or Volunteer Fire Company.

11. HOLD HARMLESS:

The contractor agrees that it shall indemnify and hold the State of Delaware and all its agencies harmless from and against any and all claims for injury, loss of life, or damage to or loss of use of property caused or alleged to be caused, by acts or omissions of the contractor, its employees, and invitees on or about the premises and which arise out of the contractor's performance, or failure to perform as specified in the Agreement.

12. NON-PERFORMANCE:

In the event the contractor does not fulfill its obligations under the terms and conditions of this contract, the ordering agency may purchase equivalent product on the open market. Any difference in cost between the contract prices herein and the price of open market product shall be the responsibility of the contractor. Under no circumstances shall monies be due the contractor in the event open market products can be obtained below contract cost. Any monies charged to the contractor may be deducted from an open invoice.

13. FORCE MAJEURE:

Neither the contractor nor the ordering agency shall be held liable for non-performance under the terms and conditions of this contract due, but not limited to, government restriction, strike, flood, fire, or unforeseen catastrophe beyond either party's control. Each party shall notify the other in writing of any situation that may prevent performance under the terms and conditions of this contract.

14. AGENCY'S RESPONSIBILITIES:

The Agency shall:

- a. Examine and review in detail all letters, reports, drawings and other documents presented by the Contractor to the Agency and render to the Contractor in writing, findings and decisions pertaining thereto within a reasonable time so as not to delay the services of Contractor.
- b. Give prompt written notice to the Contractor whenever the Agency observes or otherwise becomes aware of any development that affects the scope or timing of the Contractor's services.

15. OPTIONAL ALTERNATIVE FUEL CAPABILITY:

The State of Delaware is obligated to procure passenger vehicles that utilize alternative fuels, as defined by the federal Energy Policy Act. For model year 2011 this will constitute 75% of all new qualifying units. The State is "fuel neutral" and will consider O.E.M. offerings for any alternative fuel type that meets applicable federal guidelines. An alternative fuel vehicle, for the purposes of this contract, will be any bi-fuel or flex-fuel vehicle that can be operated on gasoline and another alternative fuel. Vehicles offered shall be warranted by the O.E.M. to meet all federal guidelines/laws and meet or exceed federal air quality standards (given the State properly maintains and services the vehicles) for a time period no less than the length of the manufacturer's powertrain warranty. Any alternative fuel system quoted must provide a tank or tanks which provide sufficient alternative fuel to allow the vehicle a travel range of no less than 125 miles.

16. OPTIONAL TEMPORARY TAGS:

When requested by individual agencies on their purchase order, each vehicle must be delivered with a minimum twenty (20) day temporary tag, the cost of which may be charged to the ordering agency.

17. CERTIFICATE OF ORIGIN:

The following documents must be included with each vehicle at time of delivery:

- A. The Certificate of Origin
- B. Title Application
- C. Odometer Mileage Certification

18. SPECIFICATIONS REQUIREMENTS:

All equipment listed in each specification must be standard OEM equipment normally offered to the general public.

19. PRODUCTION / ORDER CUTOFF DATES:

Awarded vendor(s) shall provide these production dates to the designated State Contract Officer, Government Support Services, State of Delaware, as soon as they become available. The awarded vendor(s) remains obligated to notify the State to any subsequent changes to a manufacturer's production schedule throughout the life of the contract. The awarded vendor(s) shall notify the State of any production date changes within two (2) weeks after the manufacturer publishes said changes.

20. DEALER SERVICE BULLETINS:

Minimum of one (1) copy each bulletin already published applicable to the model year car purchased must be furnished before the time of delivery of the first new vehicle. Fleet Services is to be placed on the mailing list to receive one (1) copy minimum of dealer service bulletins each time it is published. All aforementioned bulletins must be supplied to at no charge. Failure to supply these bulletins could lead to disqualification in future bids.

The awarded vendor shall also make available service bulletins to any other agencies or organization, eligible to order through this contract, on an "as requested" basis at no additional charge.

21. SERVICE:

Service by authorized representative of the vehicle and equipment manufacturers must be available within the State of Delaware. Prior to delivery each vehicle shall be completely serviced by the awarded vendor(s). Service shall include not less than; lubrication, wash, engine tune-up, wheel alignment and all other checks and adjustments required for proper complete servicing of a new vehicle.

22. BROCHURES:

Sales literature, ordering information and color charts shall be made available to agencies on an "as requested" basis at no additional charge.

23. MODEL YEAR ROLL-OVER:

The State of Delaware will consider any request for a contract roll-over to the next model year after the passing of the vehicle manufacturer's final production cut-off date, at the same contract pricing, specifications, terms and conditions or better. By submitting a bid to this contract, if awarded, the vendor shall work with the vehicle manufacturer to obtain contract roll-over pricing for the remainder of the original contract term.

If vendor is unable to secure the requested contract roll-over pricing for the remainder of the original contract term, the vendor shall notify the State Contract Officer in writing and provide the vehicle manufacturer contact name, title of the contact, and the contact telephone number. The State reserves the right, at its discretion, to independently confirm a vehicle manufacturer's decision to deny contract roll-over pricing.

24. VEHICLE DELIVERY:

A vehicle may not be driven more than 200 miles from the awarded vendor's place of business to the ordering agency for inspection and receipt, or the vehicle shall not be accepted. A waiver can be requested through Government Support Services on special vehicles which require delivery to sub-contractors. If the awarded vendor uses a towing device to tow another vehicle to the inspection, the towing device may not be attached in a way that holes are drilled in the bumpers of the vehicles being towed. Drilling of holes in the vehicle bumpers is not permitted. Any bumper with damage caused by a towing device will be replaced by the awarded vendor at no charge to the State. If a vehicle is being towed by another vehicle, the vehicle being towed must have the drive shaft disconnected to eliminate unnecessary mileage.

Prior to delivery, when vehicles are purchased by Fleet Management, Delaware Department of Transportation, or the Department of Natural Resources and Environmental Control, the successful vendor shall call (302) 739-2277 (Fleet), (302) 760-2411 (Department of Transportation) or (302) 739-5297 (Department of Natural Resources and Environmental Control) for information regarding the vehicle deliveries.

25. VEHICLE TRAINING:

Complete instructions on the operation and preventive maintenance of each vehicle and a demonstration on the operation of the vehicle shall be given by the awarded vendor, if requested by the ordering agency.

26. GLOBAL POSITIONING SYSTEM (GPS):

All agencies/school districts, purchasing under this contract, are required to have installed GPS on the acquisition at the time of titling and maintain the monitoring throughout the life from the existing GSS contract or its subsequent replacement, [Vehicle Tracking System, Contract No. GSS11555-VEHICLE TRACK](#). Agency/school district assets are to provide the information necessary to load the GPS/ asset data into the Fleet Anywhere System, maintained by Fleet Services. Fleet Services will offer non-revenue reservation opportunities to agencies with loaded assets, so asset usage can be maximized by agency/ district owned vehicles. Police sedans purchased by the Delaware State Police will not be required to install GPS equipment, but is available upon request.

The cost of the units and monitoring will be paid by the procuring agency/district. The system will be set for Fleet Services to monitor the vehicles, along with the agency, if desired.

27. VEHICLE SPECIFICATIONS:

Parties interested in reviewing the minimum required specifications for each vehicle should refer to the ITB posted for this contract. To access the ITB, please use the following link and retrieve the bid solicitation.
